

WELCOME TO YOUR HIGHLAND WEDDING

For more than 200 years the Carrbridge Hotel has welcomed guests in true Highland fashion - and none are more welcome than a bride and groom accompanied by their family and friends on their wedding day.

Our hotel is family owned and run, so with us you get a personal and flexible service that is second to none. We offer packages to suit weddings of all sizes and budgets, each of which can be adjusted to accommodate your individual requirements. Meal options range from a relaxed buffet to a full sit-down meal, and we have a choice of room dressings, table decorations and lighting. Most couples choose to use our dedicated function area, the Highland Suite, but we do have two other, more intimate, areas: the Laird's Bar and the Conservatory Lounge. With luxurious tartan carpets, a fireplace for chillier days and outdoor seating for when the sun shines, these are the perfect places in which to relax.

A HIGHLAND VILLAGE SETTING

The Carrbridge Hotel is situated on the banks of the River Dulnain, in the centre of Carrbridge - a beautiful 18th century village. The historic and unique old packhorse bridge is just outside our front door, and the village and surrounding countryside offer unlimited opportunities for stunning photographs in a true Highland setting.

YOUR DAY - YOUR WAY

Whether you are planning an intimate gathering or larger celebration, we can offer a package to suit. Couples are given a single point of contact at the hotel so you always know who to turn to if you have a question. We believe that everything should be just the way you want it on your big day, and we understand that it's the small details that make the difference. On booking, we'll give you a list of local suppliers, covering everything from the flowers to the music and the photographer. All suppliers are known to us personally and are familiar with the hotel, so you can relax in the knowledge that they come with our seal of approval.

THE HIGHLAND SUITE

The Highland Suite is one of the largest and most flexible venues in the Highlands, accommodating up to 275 guests in a single dining area. Combined with our 100-plus bedrooms, The Carrbridge Hotel is a great choice for couples who have a large guest list. The Highland Suite comprises two rooms - the

Seafield Room (capacity 180 people) and the Grant Room (capacity 95 people) - each with its own bar. The rooms are separated by a folding wall, so they can easily be joined together into one large space if you have more than 180 guests - or if you would like an extra large dance floor!

THE CEREMONY

The layout of our hotel means that, should you wish, you can have your wedding ceremony as well as your reception with us. We love it when couples choose to say their vows here! If you decide to have a small ceremony we have a choice of two cosy and traditional public rooms, and for larger numbers of guests, the Highland Suite is the answer!

THE RECEPTION

The flexibility of the Highland Suite means that we can quickly turn the venue around between the ceremony, the meal and the evening reception. Our bars are well stocked with an excellent selection of beers, ales, wines, spirits and soft drinks, and many guests find our bar prices to be less expensive than other wedding hotels. We also offer hot drinks throughout the day.

ROOMS

We have more than 100 bedrooms in the Carrbridge Hotel, all regularly refurbished and updated to guarantee the comfort of our guests. You'll find our room rates surprisingly good value, and all bedrooms come with en-suite bathrooms, tea and coffee making facilities, hair dryer, flat screen TV and Wi-Fi access as standard.

FOOD

We know how important that first meal together as a married couple is. Our chefs and restaurant team work together to ensure that you and your guests enjoy a hearty Highland meal, perfectly suited to your requirements. Our menus are easily adapted to suit your taste, vision and budget.

PHOTOGRAPHY

There are countless stunning locations for your wedding photography in the vicinity of our hotel. Whether you prefer the wild remoteness of the Dava Moor, peaceful Loch Garten or even a horse-drawn carriage ride through quaint Carrbridge, you won't have to go far to get the perfect pictures.
